Your Ship Has Come In Charting a Course to Success!

An in-depth look at the economic and workforce development strategies employed by the Port of Gulfport and the educational partnership with the Academic Institutes at Gulfport High School. This session will include a tour of the main port site, an overview of the strategies used to develop the future workforce and an analysis of the multiple collaborations involving Career and Technical Education at Gulfport High School. Come learn to chart your organization's course to success

Port of Gulfport Session

On Friday, April 7, a tour of the Port of Gulfport will be scheduled to leave the Beau Rivage immediately following the Opening Session. Vans will take you to Gulfport High School where you will board a bus for the Port of Gulfport. Dava Fava, Director of Career and Technical Education, will be your spokesperson. Once you arrive at the Port, your tour will continue with personnel from the port authority. **Space is limited to 30 participants so be sure to mark your registration form if you want to be included.** It will be on a first-come, first-serve basis. There is no charge for this tour and lunch will be provided free of charge. There will be a tour of the newly renovated Gulfport High school. This is a state-of-the-art facility you don't want to miss! This truly is the premier breakout session of the conference! There will be time for you to attend other sessions when you return to the Beau.

Infinity Science Center Tour

This tour is scheduled to leave the Beau Rivage at 9 a.m. on Thursday, April 6. The cost of the tour is \$20 which includes transportation. This \$20 should be included in your registration fee. You will need to purchase your lunch at the Center.

Your Infinity ticket price includes a guided, behind-the-scenes bus tour of nearby Stennis Space Center, including NASA and some of its resident tenant Federal, State and commercial labs and offices. The Stennis Space Center is generally only accessible by Stennis employees and research teams on official business, so the tour offers INFINITY guests an opportunity of a rare "behind-the-scenes" glimpse. Generally, tours do not operate during Federal holidays, so call ahead if you can. Sign up is required and a valid ID must be presented before boarding. Non-US residents MUST present a valid passport or a permanent residence card, if applicable. INFINITY admission also includes interactive exhibits and activities, live presentations and digital movies in INFINITY's domed theater.

Other Items Of Interest

Several Pre-Conference Tours are scheduled for Thursday, April 6. They include:

- 9:00 a.m. Keesler Air Force Base, transportation provided, no charge
- 9:00 a.m. Infinity Science Center, transportation provided, \$20 Fee
- 2:00 p.m. Beau Rivage Back of House Tour, no charge
- 2:00 p.m. MGM Ballpark Tour, no charge

Opening Session Guest Speaker, former Mississippi Governor Ronnie Musgrove.

The most Inspiring and Motivating Speakers at Closing Session that you will ever hear! **Trust me, you don't want to miss this event.** It is Taylor-made for all career/technical personnel!

Presentation of Community Service Donations at the Opening Session. This year the Gulf Coast Women's Center has been selected to be our community service project. This is the largest and oldest domestic violence shelter in Mississippi. The Center's mission is to support and serve victims of domestic violence and sexual assault, and family members of homicide victims, to educate the community, and act to reduce incidences of violence. Services are provided to both adult and child victims. Donations can be items of new clothing for babies, children, and adults; disposable diapers; toiletries; games and/or toys; books; handbags; and cash. Remember, most of the residents of this facility had to leave home with only the clothes on their backs!

Vendor Hall open Thursday afternoon and all day Friday
